Southern Arizona Construction Career Days (SACCD) is doing its part to help provide our community partners and the entire construction industry with a highly skilled workforce. SACCD was designed with the vision of showcasing careers in construction to High School and Middle School Students and promoting the industry's image through career days.

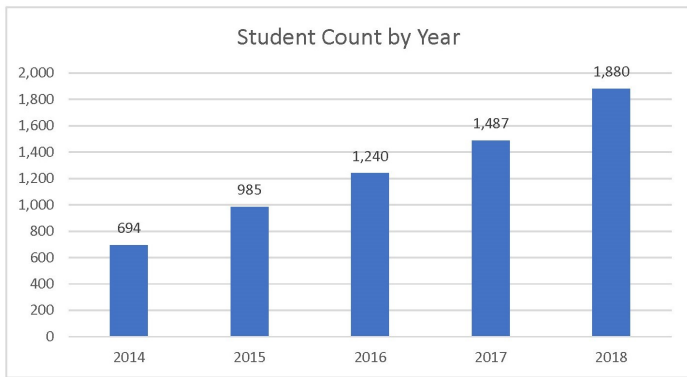

Along with help from many other organizations, industry, and volunteers, we are looking forward to our 6th annual SACCD in 2019 for this continuously growing event! SACCD is a great opportunity to interact with future employee candidates, networking between contractors, and help secure the future of our industry.

During the 2018 event, nearly 2,500 students came to the Tucson Rodeo Grounds to participate in the Construction Career Days. This two-day event has proven to be a very popular for students and young adults.

Students Will Experience

- Hands - on Activities: A variety which may include , carpentry, electrical, welding, and much MORE!
- Heavy Stationary Equipment Operations: Backhoes, mini-excavators, people lifts, articulated boom truck, and several others.
- Technology Activities: Drafting, engineering, design, architecture, computer-aided construction and controls.

6,286 STUDENTS TO DATE

With over 35 different schools representing Southern Arizona from Tombstone, Rio Ricco, Benson and Casa Grande and Tucson that all students can enjoy a unique experience. Students can follow the experience on a mobile app ([iTunes](#)) and ([Google Play](#)) and receive timely updates about the event but also see about possible employment.
